Shakuntala Science and Commerce Higher Secondary School

Lab Assistant-Cum-DEO

July 2021 – Oct 2023

- As a **Lab Assistant-Cum-DEO**, my role is managing laboratory activities to support science education and handling administrative computer-based tasks to ensure smooth academic and clerical operations. This role is crucial for maintaining the quality of practical education and ensuring accurate school data management.

EDUCATION

- **AJAY BINAY INSTITUTE OF TECHNOLOGY, CUTTACK**

Bachelor of Technology in Computer Science and Engineering.

2018 - 2021

- **DRIEMS POLYTECHNIC, CUTTACK**

Diploma in Computer Science and Engineering.

2015 - 2018

- **IRODOV COLLEGE OF SCIENCE, BHUBANESWAR**

Higher Secondary Education in Science (+2)

2013 - 2015

- **PATARAJPUR HIGH SCHOOL, PATARAJPUR**

Board of Secondary Education (10th)

2012 – 2013

PROJECTS

EzyDoc

- Created a web-based RESTful API for the **EzyDoc** application using Python and Django REST Framework.
- **EzyDoc** is a comprehensive digital healthcare platform designed to simplify and streamline medical services for patients. Through EzyDoc, users can conveniently Book Doctor Appointments, Schedule Lab Tests, and Request Ambulance Services.

Safety Management System

- Created a web-based RESTful API for a Safety Management System using Python and Django REST Framework.

Timesheet Application

- Created a web-based RESTful API for a Timesheet Application using Python and Django REST Framework.

Quizzzy

- Created an Android application named Quizzzy using Kotlin and Firebase.
- **Quizzzy App** is an interactive application that allows users to **attempt quizzes, test their knowledge**, and receive **instant feedback**. It can be designed for educational, training, or competitive purposes.

SKILLS

-
- **Fronted:** HTML, CSS, JavaScript, and Kotlin.
 - **Back-end:** Java, Spring Boot, Hibernate, Python, Django, and Restful API design.
 - **Database:** SQL, MySQL, PostgreSQL
 - **Tools:** Git, GitHub.
